How deep is Your Love

INTRODUCTION

Ah……   Ah …… Ah ….

0'15 **COUPLET 1**

I know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again

0'33 Then you softly leave …

And it's me you need to show

And the moment that you wander far from me
In my arms again

And you come to me on a summer breeze
Keep me warm in your love, then you softly leave
And it's me you need to show

0'45 **REFRAIN 1**

How deep is your love

How deep is your love, How deep is your love

I really need to learn
Cause we're leaving in a world of fools
Breaking us down when they all should let us be
We belong to you and me

1'13 **COUPLET 2**

I believe in you
You know the door to my very soul
You're the light in my deepest darkest hour
You're my savior when I fall

1'30 That I really do

And it's me you need to show

I believe in you
You know the door to my very soul
You're the light in my deepest darkest hour
Savior when I fall

And you may not think I care for you
When you know down inside that I really do
And it's me you need to show

1'45 **REFRAIN 2**

How deep is your love

How deep is your love, How deep is your love

I really need to learn
Cause we're leaving in a world of fools
Breaking us down when they all should let us be
We belong to you and me
