

## *Hymne des îles Fidji*

Blessing grant, oh God of nations, on the isles of Fiji,  
As we stand united under noble banner blue.

And we honour and defend the cause of freedom ever,  
Onward march together, God bless Fiji!

For Fiji, ever Fiji, let our voices ring with pride,  
For Fiji, ever Fiji, her name hail far and wide,

A land of freedom, hope and glory to endure whate'er  
befall.

May God bless Fiji, for ever more!
